Your Holiness,

I am deeply grateful to Your Holiness for your Sreemukha, Prasadam and Akshatha accompanying it and for your blessings. I am very pleased to know that Your Holiness has been restored to perfect health and is able to carry on your daily worship.

My dear Dewan Sahib,

I write to acknowledge receipt of your D.O. letter, No. 397 of the 30th Ultimo addressed to His Holiness Sri Jagadguru, and to state that it has been duly submitted to him.

His Holiness feels much obliged to you for your kind sentiment therein conveyed regarding his health, etc.

The usual Vyasa Pooja Srimukham and Prasadam have just begun to be issued to disciples under the orders of His Holiness. That being so, it is a pleasant surprise to me how you should have got the same so early. However, in this connection I deem it -- necessary to bring to your kind notice that there is no reference here to indicate of any Srimukam or Prasadam having been issued to you by or under the orders of His Holiness . Evidently, the Srimukham, Prasadam, etc., under acknowledgment appear to have emanated from somebody else in the name of His Holiness. If such is the case, the matter requires being inquired into and necessary steps taken to avoid its repitition in the future.

Begging to be excused for the trouble given, and with best regards,

Yours sincerely,

OFFICE NOTE.

Subd

The Srimukam says that it is from H.H. the Jagadguru of Sringeri which is situated on the Banks of the Tungabhadra River in Mysore.

There is only one Sringeri on the banks of the Tungabhadra River in Mysore.

The only other mutt on this river bank is Kudli Mutt which sometimes is also known as Kudli Sringeri Mutt.

FINANCIAL 22 AUG. 1929

Dear Sir,

8 No. 1425 In acknowledging receipt of your D.O. letter No. 405 of the 3rd Instant, with the Office copy that accompanied it, I write to state that on a perusal of the letter, the application under reference may be taken to have been sent fro. the Kudli Matt.

As matters stand, the said Matt is now known to have styled themselves as " Kudli Sringeri Mutt " for a long time, and now appear to have since dropped the word " Kudli " and style themselves as " Sringeri Mutt ". This circumstance will certainly create doubts as to the present ignorance as to the identity of the Mutt from which a reference has been received. If the Dewan Sahib thinks it not improper, a communication may be addressed to the A said Kudli Mutt, insisting upon their continuance in their correspondences, of the old name of " Kudli Sringeri Mutt ", as heretofore.

I request you to kindly submit my above views to the Dewan Sahib with my best regards.

Yours sincerely,

To

The ಶಕ್ತಿ on the form indicating the Swamy's titles noted in the preamble of the present Srimukha addressed to the Devas, corresponds with that noted in the previous Swamy's communication to Govt. with the difference that the present Srimukha mentions the previous Swamy as .. ಜಗದ್ಗುರು which is an addition — the G.O. of June 1925 recognizing the present succession, mentions the name of the mutt as "Kudali-Srngeri mutt".
